

**NOW OFFERING**

# Contactless Service

**We're here for you.**

We're ready to serve all your LTL needs with guaranteed capacity to handle increased freight demand as well as following preventative measures and enhanced protocols to maintain safe and reliable service to our customers:

## **Preventative Measures:**

### **CONTACTLESS PICKUP & DELIVERY**

This service is available to all customers upon request

### **INCREASED SITE SANITIZATION STANDARDS**

Implemented for all service centers and equipment

### **PERSONAL PROTECTIVE EQUIPMENT**

Provided to our front-line employees to keep them safe as well as protect our customers

### **SOCIAL DISTANCING GUIDELINES**

Adhered to at all our sites and service centers

### **DAILY MONITORING**

To ensure all staff are healthy

**Simply contact your local service center to sign up for Contactless Service.**

Minimize risk of exposure by signing a no-contact agreement.

If you have questions, please contact your Local Service Center or visit [LTL.xpo.com](http://LTL.xpo.com).
